Atlanta, GA – March 10, 2010 - Magnum Group adheres to the “Georgia Helps Chile Campaign”.

We add our voice to the call for help from the Chilean Consulate in Atlanta, ProChile and the Chilean American Chamber of Commerce of the South (CACCS) to help and support the victims of the earthquake that struck Chile on February 27.

“Help is needed to supply food and water, and to build temporary homes before winter sets in”, said Alberto Valenzuela, President of the CACCS when he shared the figures from official reports confirming more than 700 casualties, over 2 million people who are now homeless, and a growing but unconfirmed number of missing persons.
