Magnum Group Receives "Top 100 Women-Owned Businesses" in Pennsylvania Award

Philadelphia, PA, June 2, 2011 - DiversityBusiness.com, the nation's leading multicultural business website, recognized Magnum Group as one of the Top 100 Women-Owned Businesses in Pennsylvania.

Diversity Business honored the nation's top U.S. diversity-owned businesses in the technology, manufacturing, food service and professional services sectors. Ranging in revenue size from \$1 million to over \$2 billion, these companies represent the nation's top multicultural earners and challenge the long-held notion that a diversity-owned business is small or insignificant.

Vivian Isaak, recognized as one of the top entrepreneurs in the country, received the award at the eleventh annual National Multicultural Business Conference at the Gaylord Resort and Conference Center in Washington, D.C. "This award inspires, motivates and honors our team, our customers, and the community we serve," says Magnum Group's President.

About Magnum Group: Magnum Group is a full-service foreign language communications company established in 1992. For over 19 years, we have been working with global organizations providing high-quality translations and expert guidance for all their language-related needs. Led by a team of linguists, the company offers a full range of services to support global business communications: translation, multilingual desktop publishing, linguistic and cultural consulting, website localization, foreign language voice-over and subtitling.

About DiversityBusiness.com : Launched in 1999, DiversityBusiness.com, with over 50,000 members, is the largest organization of diversity owned businesses throughout the United States that provide goods and services to Fortune 1000 companies, government agencies, colleges and universities. DiversityBusiness provides research and data collection services for diversity including the "Top 500 Diversity Owned Companies in America", and others
