

**FOR IMMEDIATE RELEASE AND DISTRIBUTION**

**Magnum Group Wins 2011 "Top Business in America"  
by DiversityBusiness.com**

**Philadelphia, PA, February 15, 2011 - Diversity Business.com, the nation's leading multicultural business website, announced their annual top list last January and recognized Magnum Group as one of the Top 100 Women-Owned Businesses in Pennsylvania.**

DiversityBusiness.com awards reflect the most comprehensive look at America's privately held companies—a segment with a pivotal role in the United States economy. With more than 15 million viewers, the Top Business list has become the most respected compilation of successful companies that truly differentiate themselves in the marketplace at a time when doing so has never been more important.

"This award inspires, motivates and honors our team, our customers, and the community we serve," says Vivian Isaak, Magnum Group's President, recognized as one of the top entrepreneurs in the country.

Magnum Group will be honored at a special awards ceremony at DiversityBusiness.com's "11th Annual National Business Awards Ceremony and Conference" to be held in Washington, D.C. on April 19-April 21, 2011.

**About Magnum Group:** Magnum Group is a full-service foreign language communications company established in 1992. For over 18 years, we have been working with global organizations providing high-quality translations and expert guidance for all their language-related needs. Led by a team of linguists, the company offers a full range of services to support global business communications: translation, multilingual desktop publishing, linguistic and cultural consulting, website localization, foreign language voice-over and subtitling.

**About DiversityBusiness.com :** Launched in 1999, DiversityBusiness.com, with over 50,000 members, is the largest organization of diversity owned businesses throughout the United States that provide goods and services to Fortune 1000 companies, government agencies, colleges and universities. DiversityBusiness provides research and data collection services for diversity including the "Top 500 Diversity Owned Companies in America", and others
